

Name: _____ Period: _____

Handout 2: Sustainability

Provide a definition in your own words:

*What can
you do?*

*What can a
country do?*

Sustainability
of, relating to, or being a method of
harvesting or using a resource so that
the resource is not depleted or
permanently damaged

Give a few examples of being
sustainable

Give a few examples of NOT being
sustainable

Give a few examples of a country
being sustainable

Give a few examples of a country NOT
being sustainable

Fill in the venn diagram with statements comparing the lifestyles of people in *developed* countries like the U.S. and in *developing* countries.

In your venn diagram, think about the needs, wants, luxuries, struggles.

U.S.A

Developing country
